A New Enterprise for Anderson.

THE South Carolina Penitentiary Shoe Factory has appointed us Agents for the sale of their Goods. Knowing that we do the largest Boot and Shoe business in Anderson they have given us the sole agency, and we will hereafter keep a full line in stock, or make any kind of a Boot or Shoe to order. They have several just claims: The goods are honest in material-no paper or wooden soles-they are honestly made-no more rippingand they are far cheaper, as the labor costs but little, than any slice which we ever sold. We can sell a first-class hand-made Gaiter for \$4.50, for which we formerly charged \$6.50. We can sell Ladies' fine Button Shoes, hand-worked button holes, kid foxed, for \$2.00, worth everywhere \$3.00, and then not as good. Our prices will be the same as in Charleston, where the Factory has a big Store, doing a large and satisfactory business. Come in and look at the goods, and you will say that it is the best home-made shoe you ever saw for any such price.

Business has not been lively enough to work off all of our Winter Goods during the last two weeks. If you come in now we will give you bigger Bargaine than ever, eapecially in heavy Boots and Shoes, Winter Clothing, Jeans, Plannels, Skirts, Shawle, Undershirts, Blankets, a big lot of Worsted Dress Goods, Table Damasks, Sheetings and Black Cashmeres.

We want room for a large stock of Spring Goods. We have sufficient assistance to have everybody politely and intelligently waited upon, whether you wish to buy or not. Their names are a guarantee that they will perform their duty faithfully to their employers and customers: Messrs. O. Geisberg, Robert C. Webb, R. E. Frierson, Isaac Strauss, D. Seligman and Master Ellis Williamson. It shall be our special pleasure to look after each customer's particular want.

A new stock of Checked Muslins, Nainsooks, Piques, Embroideries, Laces, etc., etc., just received, and will be sold far cheaper now than later. We have the cheapest and best Bleaching for only 8c., which, so hundreds of Ladies tell us, is sold for 10c. at other places. We make a specialty of Corsets-

the best makes for the least money. We have reduced our prices on Kid Gloves, and will sell hereafter our former 3-Button Dollar Glove for only 75c., the best Glove in Anderson.

We have reduced the prices on our big stock of Ribbons, Lace Neckwear and Collars.

In short, you will find us always "Headquarters" for large Stocks and Low Prices. Don't fail to call at the New York Cash Store. A large Flag on top of our building shows you the place.

Yours, very respectfully,

ARNSTEIN & ROSE.

WE have just received 5,000 more

We have just received 25,000 papers of Garden Seed, which are for sale at wholesale and retail. We propose to do the largest Seed business in the County. We defy competition, and it will be to the advantage of every Merchant in the County to see us before making arrangements for their Garden Seed.

We keep a first-class stock of Drugs and Medicines. We order goods frequently, so as to be certain that they are always fresh.

WE feel very much encouraged with the success we have met with so far, in our efforts to establish a Music House at this place, and wish to thus publicly express our thanks to the kind Ladies and Gentlemen who have favored us with their orders.

We have on hand a beautiful stock of different kinds and styles of Organs, just received from the factories of Messre.

J. Estey & Co. and Peloubet & Co., which we will be pleased to show you. We endenvor to give satisfaction to everybody, and will make it to the luterests of all to purchase from us. Our terms are easy and arranged so as to place the instruments within reach of everybody.

It is always the safest plan to buy from reliable dealers at home, so if anything goes wrong afterwards, you know who to fall back on; and then there is no reason why you should send your money to other places, when you can do as well or better at home.

We hope that all of you who anticipate buying a Piano or an Organ, will not fall to call and talk the matter over with as before purchasing elsewhere.

Yours, very respectfully,
